Self-Assessment of Note-Taking Skills

for "Listening is Not the Same as Hearing"

http://www.livinghistoryfarm.org

Answer the following questions:

1. Did I use complete sentences? (They are usually a waste of time.)

2. Did I organize my notes?

3. Are my notes clear or confusing?

4. Did I capture the main idea and supporting details?

5. Can I read my own notes and do they make sense to me?
