

Parent Letter for the lesson  
MIGRATION FROM THE DUST  
INTERVIEWS

Date:

Dear Parent/Guardian,

Our school's students are working on a project to learn about migration patterns in the past. They will conduct interviews, complete map and story projects from what they learn. The students are bringing home interview forms that should guide them while documenting the information. So, your child is now ready to interview a family member or a friend and learn about their family's migrations. It may be a good idea to audiotape or videotape the interview to refer to after the interview is over.

Attached to this letter is a consent form that will allow us to publish the material that your child collects, Please sign this and return it to the school.

This assignment must be completed within the next two weeks, and all the information should be brought to school. Also, please send along any old pictures or mementos. They will be scanned or copied and the originals sent back home.

Please call if you have any questions. Thank you,

Yours truly,
